# Horse Day Camp

## What to Bring:

1. Riding Helmet (must be for horseback riding). Used ones are quite accessible on Kijiji or Facebook Marketplace. New ones can be purchased at Bridlepath Tack Shop or Greenhawk or Wilton Tack in Odessa. Look for a SEI or ASTM sticker in the helmet, this indicates it is up to current riding safety standards.
2. Water, water, lots of water.
3. Sunscreen
4. Hand sanitizer
5. Long pants for riding and boots with a heel (rubber boot, hiking boot, riding boot)
6. Lunch and snacks (we provide popsicles or freezies)
7. Shorts and tennis shoes and a towel. We will be playing lots of water games to stay cool and its nice to change out of riding apparel for these activities.
8. Hat
9. Medications (if your child has an epi pen or uses allergy medication around animals)
10. We do have peanut allergies, so we ask that lunches are peanut free. Thanks for your cooperation.

## What NOT to Bring:

1. Chewing gum.
2. Phone or any similar electronics.
